Chemical Corp. SB

Pat -

I put the United States' Applications for Payment in your mailbox next to the printer.

There is an Application for Payment of Administrative Expenses dated July 19, 2005 and an Updated Application for Payment of Administrative Expenses dated July 10, 2006. The 2005 document has original signatures on it but the 2006 document has "conformed" signatures. The reason for this is that the Court went to "electronic" filing some time after 2005 and so there are no more "original" signed documents after the change over date - the electronic filing constitutes the original signature.

(And - perhaps the "proof of claim" or "complaint" date should be the earlier July 19, 2005 document.)

As for the DOJ number, here are all of my numbers on this case. Does the "Enforcement Action Number" or the "USAO File Number" answer your question?:

CERCLA Site/Spill Identifier:	02WN
FRS Identification Number:	110001614398
Enforcement Action Number:	02-2005-0009
CERCLIS Site Number:	NYD072710502
U.S.A.O. File Number:	2005V01063

I tried calling you but didn't leave a voice-mail. I didn't have the proof-of-claim. Janice Dudek told me you were going to give to me or her. I entered the action because the S&O has the filed date July 10, 2006 which is EPA's proof-of-claim (or whatever we call it in this case). I still need a copy of whatever you have for this part of the case.

FYI - I wanted to ask you if you had a DOJ number for this action because I couldn't find it anywhere in the S&O? I found a file number (for payment but this is not what I need for the system). If you have this number I would like to add it to the action.

Thanks.
